ABOUT SKITCH OVERLAND GEAR

BUILT ON ADVENTURE IN AFRICA

SKITCH OVERLAND GEAR is a pioneering company, rooted in the thrill and passion of

African adventures. Established from countless escapades through the diverse landscapes of Africa, Skitch offers overlanding products that are as rugged as they are essential for enthusiasts.

Origins:

The inception of Skitch began in the wild terrains of Africa, away from the mundaneness of daily routines. What started as an expedition to the untouched corners of the continent transitioned into a journey of creating overland gear that simplifies and enhances the exploration experience.

Our Flagship Product:

The testament to our expertise is the Skitch bed rack. Evolving from its original design years ago, the rack stands today as an epitome of durability and efficiency, having been meticulously refined based on real-time over-landing experiences. It's not just a product; it's a part of our adventure DNA.

Expanding Horizons:

While the bed rack remains a crucial part of our lineup, our portfolio has expanded to include a myriad of overland products. Each product, whether used in the mountains, beaches, forests, or daily life, has been crafted from our personal experiences, ensuring authenticity and reliability.

Mission & Vision:

Skitch was conceived from a profound love for Africa and an insatiable yearning to connect more deeply with the natural environment. We aim to be the bridge that facilitates this connection for others. Our hope is for adventurers around the world to utilize Skitch gear as their trusted companion, ensuring they not only reach their destination but relish the journey that leads them there.

Join the Adventure:

With Skitch, you're not just buying overland gear; you're investing in an experience. We invite you to be a part of this thrilling journey, to embrace the natural world, and to make every adventure memorable with Skitch by your side.

BED RACKS & ACCESSORIES

RAIL MOUNT LATCH KIT

Rail Mount Latch Kit is purpose built for mounting any kind of box onto a cross-bar of any make that has T-slots. Just install the kit onto any T-slot rail and fit the retainer hook to your box and you are ready to go. The kits come in 2 latches + retainers per set, so you may need 2 sets depending on your installation requirements. The latch is adjustable and fits most boxes with-out adjustments. Only the 83L Skitch Long box needs adjustments to the latch-hook.

The kit is built to last from heavy duty 3mm steel that is E-coated, and powder coated. All the supplied bolts are stainless, and T-nuts are aluminium or chrome plated. The kits can also be used to fasten other goods down onto roof-top carriers and roof-racks of any make. The system is lockable with up-to a 10mm padlock but is supplied with 2 pcs 8mm stainless D-shackles for quick-release. The system must have one or the other to work, please ensure you understand this as it is essential to a successful installation of the system. Once the system is installed and set-up, a box can be installed totally securely and removed in under 30 seconds. Although this item is universal-fit, it will only fit crossbars/rails/roof-racks/roof carriers/ canopies that have built-in T-slots, so please ask us if you are not sure.

WEIGHT: 0,5 kg

DIM: 18 x 7 x 7 cm

PRODUCT CODE :

SKITCH BOX-MOUNT KIT

Skitch box-mount kit is purpose built for mounting Skitch 95L and 128L Skitch Rugged Cargo Box onto a cross-bar of any make that has T-slots and a flat mounting surface.

Just install the kit onto any T-slot rail and fit the retainer hook to your box and you are ready to go. The kits come complete with 2 mounting plates (for 1 box) latches + retainers and a bolt kit, per set. Each box will require 1 set to mount.

The mounting plate is not adjustable and fits either the 95L or 128L with-out adjustments. The kit is built to last from heavy duty 3mm steel that is E-coated and powder coated.

The system is lockable with a padlock (not

supplied). Once the system is installed and set-up, a box can be installed totally securely and removed in under 30 seconds.

SKITCH JIMNY RACK CROSSBAR SET

Jimny Rack Crossbar Set, spanning 1350MM in length. This versatile bar mirrors the one found in the standard Skitch T690MM and 1730MM bed-rack sets.

Crafted for outdoor exploits, it boasts a high-quality powder-coated rough finish. Ideal for the Jimny, when used with SKB23S-JIM Jimny/Wrangler bracket set, this package contains 4 brackets and fasteners.

Tailored to fit Jimny, Wrangler, and comparable gutter clamp applications, this bracket set enhances your adventure setup. Elevate your gear transportation with the Jimny Roof Rack Crossbar Set – your gateway to secure and efficient travel.

PLEASE TAKE NOTE!

A complete kit consists of BRACKETS and CROSS-BARS. Your order for a complete kit will consist of 2 items (1 bracket set and 1 bar set). Please ensure that if you want to receive a complete kit, that both items are on your order.

SKITCH RACK CROSSBAR SET

The Skitch Roof Gutter Bracket Set, expertly tailored for use with the Skitch Rack Crossbar Set. This package includes 4 sturdy pieces complete with fasteners, designed to withstand the rigors of outdoor exploration. Enhanced with a top-quality powder-coated rough finish, these brackets are a guarantee of long-lasting durability. Engineered to fit most vehicle roof gutters, it's essential to consider your roof height in relation to the clamping point for optimal usage.

Crafted to accommodate 2018 to current Jimny and Wrangler models, please note that SKB23S isn't compatible with Land Rovers. For Jimny models, pair the set with the SKC23S kit; for Wranglers, combine with the SKC272S crossbar set. Elevate your overlanding configuration with the unmatched security and reliability of the Skitch Roof Gutter Bracket Set – the definitive choice for your outdoor adventures.

CAMPING SHOWER - OFF-ROAD WATER STORAGE

Skitch 28L Aluminium Camping Shower and
Water Storage System – your ideal companion
for off-road and portable adventures.

This innovative system utilizes compressed air
to pressurize, ensuring a convenient and efficient
experience. Included accessories like the 2.2
meter PVC hose and storage bag, spray gun
with a 1.5 meter woven hose, and quick release
connector provide versatile functionality.

Safety is paramount with a built-in safety valve
set at 20PSI operating pressure and 35PSI max
pressure. Elevate your camping journey with
the Skitch 28L Aluminium Camping Shower and
Water Storage System.
